Peoria, Illinois – Peoria is set once-again host to the Greater Peoria Farm Show, November 27-29, 2023, at the Peoria Civic Center. This year's event is sponsored by [Farmers Powering Communities \(www.fpc.community\)](http://www.fpc.community), a cooperative project focused on protecting America's most productive farm and rangeland while expanding renewable energy. The group and more than two hundred exhibitors are set to display the latest in agricultural products and services, along with educational seminars, multiple promotions and prize drawings for attendees.
